

SWIMWAYS SWIMMING SCHOOL

ABOUT US!

- Swimways first opened in 2015 in Northcliff and in 2021 relocated to Linden.
- Learning through play and fun is the core of our philosophy. We teach swimming techniques and water safety through games, songs and laughter.
- Classes are kept small to allow for individual attention.
- All our swimming teachers are qualified in CPR and first aid and have completed their swimming courses through Swim Dynamics.
- At Swimways we understand the development, milestones, emotions and needs of swimmers. We are able to settle and build strong relationships with swimmers whilst creating a fun and nurturing environment.
